South West Victorian SEAL Inc. complies with Australian Privacy laws. This is how your privacy is protected during your visit:

Collection of information:

Indirect: When you access this site your Internet address is automatically collected and placed in our Internet access logs.

Direct: We may use cookies to save and retrieve information about your visit to the site (e.g. how you entered and what information you accessed). Our cookies would identify you only by a number.

Your email address will only be recorded if you choose to send a message.

A login name and password are required to visit secure areas, to ensure information (e.g. student results) is only disclosed to the intended person. You should ensure your password is kept securely and can't be discovered by anyone else.

Enrolment and registration forms require you to give your contact information and unique identifiers. You may elect to enrol in person rather than providing personal information via our website.

When personal information is collected via our website this will be done by sufficiently secure means.

Use of information: We use information obtained on this website to improve and modify the site. If the information is to be used for any other purpose we will tell you at the time we collect the information and spell out the intended use.

Personal information you supply online will be used to conduct the business of South West Victorian SEAL Inc. e.g. student administration, provision of services and the dissemination of information. We may distribute aggregated statistical information for reporting purposes.

Your IP address is sometimes used to set up individual sessions to provide secure logins.

Your email address will only be used for the purpose for which you have provided it. It will not be added to a mailing list or disclosed without your consent.

Protection of information: We will not identify users or their browsing activities except where a law enforcement agency exercises a warrant to inspect the service provider's logs.

We DO however have an internet usage monitoring software package that records an individual computer and time if it is used to attempt to access sites deemed inappropriate by South West Victorian SEAL Inc. You will see a message that "Smoothwall" has blocked access, a reason is given and the fact that this action has been recorded.

If you believe you need access to this site as part of your studies inform your trainer who will in turn inform the CEO and a decision will be made as to its suitability.

External links: Some areas of our site contain links to external sites. We are not responsible for the privacy practices of these sites

Public forums:

Information disclosed in these areas Facebook, Tumblr, Twitter etc. becomes public information. You should be cautious about disclosing your personal information and what you post, it is there forever.

Quality of information: We will try to maintain accurate and up to date information regarding staff and students. If you think your personal information held by South West Victorian SEAL Inc. needs changing, contact South West Victorian SEAL Inc. directly.

Review: This Privacy statement is periodically reviewed. Date last reviewed January 2015.
